

2020 General Frank Smoker

Beyond the Call Award

The annual General Frank Smoker Beyond the Call Award was established to honor a Lebanon Valley Chamber of Commerce member or business that has provided exceptional support to one or more service member(s) or veteran(s), their spouses and/or family. One award is presented annually, and the Chamber's Military and Veterans Affairs Committee serves as the official selection committee.

Nominations may be made by any Lebanon Valley Chamber member, a service member from any branch of the service, or by company employee(s) member, who has knowledge of the support. This support must have been provided any time during the past two years.

Major General Frank H. Smoker, Jr. served as Commander of the Pennsylvania Air National Guard 1978 to 1985, retiring after 42 years of service to his state and nation.
